CALL FOR SPONSORSHIP

Dear Sir/Madam,

The Society of Thermal Engineers of Serbia is organizing biannually, since 2004, an International Conference POWER PLANTS “**Energy resources, energy efficiency, ecological and exploitation aspects of power plants operation**”. **POWER PLANT 2018** will take place at hotel Palisad, Zlatibor, Serbia from October 31st to November 3rd, 2018.

POWER PLANTS 2018 International Conference will be organized under the auspices of:

- Ministry of Mining and Energy, Republic of Serbia,
- Ministry of Education, Science and Technological Development, Republic of Serbia,
- Ministry of Environmental Protection, Republic of Serbia,
- Electric Power Industry of Serbia - EPS.

The main topics of the International Conference are:

1. Energy resources and sustainable development.
2. Liberalization of the electricity market, impact on supply security, energy efficiency and effective operation of power plants.
3. Questions concerning power plants life cycle extension and introduction of new clean coal and low carbon power generation technologies and equipments.
4. Thermal/hydro/wind and other power plants exploitation problems.
5. Environmental and climate aspects of power generation by thermal/hydro/ wind and other power plants.

Hundred and twenty papers (more than 250 participants) from different countries of Europe, Asia, North America and Africa were presented at each POWER PLANTS International Conference.

Traditionally, main donators of the International Conference POWER PLANTS are Ministry of Mining and Energy, Republic of Serbia; Ministry of Education, Science and Technological Development, Republic of Serbia and Electric Power Industry of Serbia – EPS, ENERGOPROJEKT-ENDEL, INSTITUTE MIHAJLO PUPIN, VIA OCEL, BALKAN ENERGY TEAM, BABCOCK BORSIG POWER. Traditionally, main sponsors of the International Conference POWER PLANTS are: GENERAL ELECTRIC (former ALSTOM), HAMON, RAFAKO, SIEMENS, DONGFANG ELECTRIC CORPORATION Ltd International, VATTENFALL, DOOSAN POWER SYSTEMS, ZK-TERMOCHEM, FOSTER WHEELER, VIOTH TURBO, UNITED CONVEYERS CORPORATION, YOKOGAWA, etc.

Supporting International Conference POWER PLANTS in the context of legal establishment of ENERGY COMMUNITY and as the ECSEE TREATY implementation activity, European Commission DG TREN representatives contributed in the opening session of all previous International Conferences POWER PLANTS since 2006, as Key Note Speakers and Moderators: **EU DG TREN** (Brendan Devlin „*EU Energy policy Path in the Alpine, the Carpathian and Balkan regions; Investment in the Energy Sector Security; Energy Sector Transparency*”), **EU DG Environment** (Andreas Papakonstantinu „*Environmental Issues within the Treaty Establishing the Energy Community*”), **ENERGY COMMUNITY SECRETARIAT** (Mr. Slavtcho Neykov, Director, 2008: „*The Energy Community – legal framework, achievements and challenges ahead*”, 2012: „*Status of Serbia Energy Sector on the Way to be Part of EU and Necessary Steps*”, Dr Dirk Buschle Legal Counsel, „*The Energy Community – environmental issues, achievements and challenges ahead*”), Mr Simon Uzunov, 2014 „*Policies and Markets in the Energy Community*”, Mr Peter Vajda, 2016 „*Environmental activities of the Energy Community*” **ENERGY CHARTER** Secretariat (Bayko Nitzov Senior expert „*Market Convergence and Investment: Facts and Expectations*”). We expect the same at the International Conference POWER PLANTS 2018.

The International Conference POWER PLANTS 2018 is foreseen to gather energy policy makers, company managers, researchers, technical experts, environmental engineers and the
